## **FOR IMMEDIATE RELEASE**

### Winter Road Conditions Update for February 2, 2004

Redding - The California Department of Transportation (Caltrans) reopened Interstate 5 to both northbound and southbound traffic at 10 a.m. The Interstate was closed this morning at 7 a.m. due to heavy snowfall. Chains are required on all northbound and southbound vehicles from the Shasta/Siskiyou County line to Edgewood, north of Weed. Chain checks will be conducted on all northbound vehicles at Fawndale, with passenger vehicles released first and commercial vehicles released as the roadway clears of traffic.

Caltrans is at maximum snow staffing, with all available employees and equipment working to stay ahead of the snow and keep the roadways clear. For updates on road conditions, please refer to the Caltrans web site [www.dot.ca.gov/dist2](http://www.dot.ca.gov/dist2) then click on Traveler Information or call the road conditions phone at 1-800-427-7623.
